### Students wishing to pursue a teaching credential must have the approval of the Education Department

I wish to obtain a(n) elementary/secondary teaching credential.

Education Department Approval: \_\_\_\_\_  
Advisor Signature

I understand that changing my major alters my requirements for graduation. I have thoroughly reviewed the course requirements for my new major and understand what is expected for graduation. I will consult my assigned advisor as soon as possible to discuss my new program of study. I understand that an overall grade point average of at least 2.00 is required for graduation. In addition, a minimum 2.00 average is required in the major field. Failure to meet the department standards will result in disqualification from the major.
